PDC Summit

(International Summit & Exhibition on Health Facility Planning, Design, & Construction)

2018–2019 Dates & Locations:
March 25–28, 2018 | Nashville, TN
March 17–20, 2019 | Phoenix, AZ

pdcsummit.org | [#PDCSummit](https://twitter.com/PDCSummit)

At the PDC Summit, senior leaders involved in the health care planning, design, and construction process come together to discuss the future of health care and its impact on the health care built environment. This summit and exhibition is all about uniting the converging perspectives of the full health care PDC team, including those working in health care administration, design, construction, facility management, and real estate. Having a presence at the PDC Summit gives you the best opportunity to discuss long-term strategy with your clients and showcase your leadership in the field.

COLLABORATING ORGANIZATIONS

2017 Attendee Data

ASHE Annual Conference & Technical Exhibition

(For health care leaders working in facility management and engineering)

2018–2019 Dates & Locations:
July 15–18, 2018 | Seattle, WA
July 14–17, 2019 | Baltimore, MD

ashe.org/annual | [#ASHEAnnual](https://twitter.com/ASHEAnnual)

The ASHE Annual Conference and Technical Exhibition is the trusted national conference and trade show for health care facility management and engineering professionals. In 2017, more than 4,000 professionals gathered on-site to get vital information on health care compliance, codes and standards updates, emerging trends, and best practices for efficiency, sustainability, emergency preparedness, and other pressing topics in the field. Whether your company is interested in strengthening relationships with current customers or meeting prospective customers, the ASHE Annual Conference and Technical Exhibition connects you with key purchasers and decision makers in the health care facility management field.
