

IPD + One Model Approach

Redefining what's possible in **Clinic Delivery**

Aurora Medical Center - Mount Pleasant

"When you're responsible for a major capital project, there's a lot of worry. When I saw Mortenson in action in the planning process, **I knew we were going to be OK.**"

Scott Wordelman
Senior Vice President of
Ambulatory Care, HCMC

Eliminating redundancy, enhancing collaboration, improving accuracy, raising the standards. We're your partner and guide, every step of the way – from the Big Room until the day we all celebrate your big accomplishment together!
