

## Criteria for Senior ASHE (SASHE) *Documentation and Requirements* *(Deadline to apply is March 1)*

### **Purpose**

The designation of Senior is awarded for excellence and service to the Society and the health care engineering community. ASHE members with Senior status are individuals who are dedicated to advancing the field of health care engineering and facilities management through their volunteerism and contributions to the profession and the Society.

### **Eligibility**

*At the time of application candidates for Senior, must:*

1. Be a current member in good standing with ASHE.
2. Have **five (5) years** of consecutive membership with ASHE (with no break in service).  
*\*Candidate must have a recorded join date prior to January 1, 2017.*
3. Be actively employed at the time of application.
4. Meet all other requirements as outlined for Senior status at the time of application.

### **Recipients receive**

- A commemorative plaque presented at the ASHE Annual Conference.
- One (1) year ASHE membership.
- Formal press release and recognition in ASHE communications and other promotional materials.

### **Review process**

- Applications will be reviewed and evaluated by a select task force of ASHE members.
- An incomplete application will be deemed ineligible by the task force. Individuals whose application is deemed ineligible can resubmit the following year.
- Decisions made by the task force are final and subject to approval by the ASHE Executive Committee.

### **Notification of acceptance**

Individuals approved for Senior status will be notified by phone and e-mail no later than May 20, 2022. Other applicants will be notified by e-mail no later than June 8, 2022.

### **Deadline to apply**

The online application and all other required documentation must be submitted by **March 1, 2022**.

## **Preparing supporting documentation**

At the time of application, candidates for Senior will be required to provide supporting documentation that will be reviewed by the task force in order to determine your eligibility for Senior. The supporting documentation validates the answers and statements you provide on your application.

To ensure a thorough review of your application, be sure your supporting documentation is compiled and organized as indicated below, for easy reference and verification:

**A. Cover page** (*Name, title, company, phone, email*)

**B. Professional Background**

You must provide documentation to support all of the following listed below:

- ASHE membership
- Academic/Professional
- Continuing education
- Professional resume

**C. Contribution to the Field**

You must provide documentation to support **two (2) of the categories** listed below:

- Leadership
- Presenting
- Publishing

**D. Professional photo/headshot** (color, high-resolution in JPG file format)

Once you have compiled your documentation, it should be scanned as **one (1)** PDF file. You will be required to submit the PDF file of your supporting documentation and the JPG file of your professional photo as part of the online application process.

## **Submitting an application**

- Individuals interested in applying must do so online at <https://www.ashe.org/designations>.
  - Allow 30-45 minutes of uninterrupted time to complete the entire online application process
  - When instructed, upload PDF file (documentation) and JPG file (photo).
- Once submitted you will receive an e-mail notification to confirm receipt of application.
- All documentation becomes the property of ASHE and will not be returned.

## **Questions**

Send your questions in writing to Charmaine Osborne at [cosborne@aha.org](mailto:cosborne@aha.org).

**Disclaimer**

*ASHE reserves the right to modify the application process, eligibility requirements, criteria or any other rules associated with this designation program without prior notice.*
