

## **Fellow of The American Society for Health Care Engineering (FASHE)**

*Criteria and Documentation Requirements*

***Deadline to apply is April 1***

### **Purpose**

The designation of Fellow is a culmination of a lifetime of service to the Society and the health care engineering community. Fellow status is an exclusive honor bestowed on those who are committed to advancing the field of health care engineering and facilities management through their contributions to the profession. Fellows are considered among the Society's most highly engaged and dedicated members who volunteer their time and lend their expertise to support the vision and mission of ASHE.

### **Eligibility**

***At the time of application candidates for Fellow, must:***

1. Be a current member in good standing with ASHE.
2. Have **ten (10) years** of consecutive membership with ASHE (with no break in service) at the time of application.
3. Hold Senior status for **three (3) years** at the time of application.
4. Be actively employed at the time of application.
5. Meet all other requirements as outlined for Fellow status at the time of application.

### **Recipients receive**

- A commemorative plaque presented at the 59<sup>th</sup> ASHE Annual Conference.
- One (1) year ASHE membership.
- Formal press release and recognition in ASHE communications and other promotional materials.

### **Review process**

- Applications will be reviewed and evaluated by a select task force of ASHE members.
- An incomplete application will be deemed ineligible by the task force. Individuals whose application is deemed ineligible can resubmit the following year.
- Decisions made by the task force are final and subject to approval by the ASHE Executive Committee.

### **Notification of acceptance**

Individuals approved for Fellow status will be notified by email by May 1, 2024. Other applicants will be notified by email no later than May 15, 2024.

### **Deadline to apply**

The online application and all other required documentation must be submitted by **April 1, 2024**.

## **Preparing supporting documentation**

At the time of application, candidates for Fellow will be required to provide supporting documentation that will be reviewed by the task force in order to determine your eligibility for Fellow. The supporting documentation validates the answers and statements you provide on your application.

To ensure a thorough review of your application, be sure your supporting documentation is compiled and organized as indicated below, for easy reference and verification:

**A. Cover page** (*Name, title, company, phone, email*)

**B. Professional Background**

You must provide documentation to support all of the following listed below:

- ASHE membership
- Senior status
- Academic/Professional
- Continuing education
- Professional resume

**C. Contribution to the Field**

You must provide documentation to support **ALL of the categories** listed below:

- Leadership
- Presenting
- Publishing

**D. Professional photo/headshot** (color, high-resolution in JPG file format)

Once you have compiled your documentation, it should be scanned as **one (1)** PDF file. You will be required to submit the PDF file of your supporting documentation and the JPG file of your professional photo as part of the online application process.

## **Submitting an application**

Individuals interested in applying must do so online at <https://www.ashe.org/designations>.

- Allow 30-45 minutes of uninterrupted time to complete the entire online application process
- When instructed, upload the PDF file (documentation) and JPG file (photo)
- Once submitted you will receive an e-mail notification confirming receipt of application.
- All documentation becomes the property of ASHE and will not be returned.
