

Mark Mochel, MBA, CHFM, PMP, ACABE **2024 Candidate for Advisory Board Associate Member Representative** **Bio**

Mark Mochel is currently a Strategic Account Executive at Brightly, a Siemens company. Before joining Brightly, he was a Co-Founder and Senior Vice President at Facility Health Inc., where he was instrumental in introducing new infrastructure investment solutions and benchmarking capabilities to the healthcare industry. He has a bachelor's degree in mechanical engineering from Purdue University, an MBA from the University of Michigan, and has held executive leadership roles in multiple industries, providing a unique perspective on the challenges facing healthcare facility management today. As a candidate for the ASHE Advisory Board and an advocate for increased infrastructure investment in our industry, Mark is passionate about sharing his experience with all who serve and are served through the environment of care.

In addition to serving on the Michigan Society for Healthcare Engineering (MiSHE) Board from 2018 to 2020, Mark is actively involved in 14 State ASHE Chapters and has spoken as a CEU presenter at over 20 State Chapter annual conferences.

An ASHE member since 2016, Mark is proud to have contributed to the membership in multiple capacities as summarized below and is looking forward to serving on the national advisory board.
