

2026 ASHE Election

Candidate for Advisory Board Associate Member Representative

Before founding I2HC, **Mark Mochel, MBA, CHFM, FACHE, SASHE**, was a Strategic Account Executive at Brightly, A Siemens Company. Prior to Brightly, he was a Co-Founder and Senior Vice President at Facility Health Inc., where he was instrumental in introducing new infrastructure investment solutions and benchmarking capabilities to the healthcare industry. Mark has a bachelor's degree in mechanical engineering from Purdue University, an MBA from The University of Michigan, and has held executive leadership roles in multiple industries, providing a unique perspective on the challenges facing healthcare facility management today.

As an advocate for increased infrastructure investment in our industry, and a current member of the ASHE National Advisory Board, Mark is passionate about sharing his experience with all who serve and are served through the environment of care. **Looking towards the future of ASHE and our industry, Mark is seeking re-election to the National Advisory Board to continue his advocacy and desire to redefine the BUSINESS VALUE of investment in our critical healthcare infrastructure.**

Aging infrastructure increases Risk. Make your Mark!
